RE: Appellate Case Number: 06-18-00212-CR
Trial Court Case Number: 32355CR

Style: Michael Anthony Hammack
v.
The State of Texas

On this date, the Court ordered the clerk's record and volumes one, four, six, seven and eight of the reporter's record in the referenced matters to be sealed in accordance with Rule 9.10 of the Texas Rules of Appellate Procedure. Rule 9.10 was designed to guard privacy interests. To achieve this end, the rule forbids the filing of documents or records that contain sensitive data. *See* TEX. R. APP. P. 9.10(a), (b). Sensitive data includes "a birth date, a home address, and the name of any person who was a minor at the time the offense was committed." TEX. R. APP. P. 9.10 (a)(3). Under Rule 9.10(e), "The filing of a document constitutes a certification by the filer that the document complies" with the dictates of this rule.

The clerk's record and volumes one, four, six, seven and eight of the reporter's record contain the name of a person who was a minor at the time the offense was committed. *See* TEX. R. APP. P. 9.10(a)(3). Accordingly, these records have been sealed. A copy of the sealing order is enclosed.

At this time, we are not requesting that these records be redacted. However, should that need arise in the future, we will, at that time, ask you to redact these records.

Because Rule 9.10 forbids the filing of documents containing sensitive data, please take care in the future to redact all records containing such data prior to their filing with this Court.

Respectfully submitted,

Debra K. Autrey, Clerk
